

RECIPE FOR RETURN

- 1 DESK/TABLE 2 CHAIR 3 GRATNELLS TRAY

Overview

As schools plan to re-open in this Coronavirus period, there are many questions to be answered, and not one simple solution to fit all. At Gratnells we have been working with some schools to create a basic recipe for return, acknowledging the need for social distancing, and the individual learning requirements of the students. Our 'Recipe for Return' is a first step that could provide answers for most situations, and the assurance that some basic needs are being considered.

Ingredients

1. Desk/Table easy clean and preferably with Antimicrobial System.
2. Plastic chair preferably with Antimicrobial System.
3. Jumbo Tray with Antimicrobial System.
4. Desk Tidy/Shallow Tray with Antimicrobial System.

Method

1. Allow only 15-20 students per class.
2. Hand sanitising on entry and regular intervals.
3. Strict and regular daily cleaning regime.
4. All personal belongings in Jumbo Tray.
5. All lesson equipment and sanitiser in Desk Tidy/Shallow Tray.
