Phonics

Phonics- Phase 2- 'ck'- ck, ck, clock

What you will need:

- Gratnells F1 Shallow Tray
- 12 x pieces of card for the words.
- clock hands (made out of card)
- Downloadable tray label
- Pen
- Blu-tack

What to do: (Teacher/Teaching Assistant)

1. Label the tray using the downloadable label.
2. Write words with the 'ck' sound on the 12 pieces of card. On the other side, write out the numbers 1-12 (as it is on a clock face).
3. Place the clock hands in the centre of the tray.
4. Put the words into a pile for the child.

What to do: (child)

1. Ask the child to read as many words from the pile as they can.
2. When the child has picked up a card, they have to carefully segment and blend the sounds in the word to read it correctly.
3. Encourage them to say 'ck, ck, clock' as they are reading to check the pronunciation of the sound.
4. When the word has been read, ask the child to look on the other side for the number. Place the card onto the clock in the correct place. Use blu-tack to fix it to the tray.

Differentiation:

Easier:

Practise writing the 'ck' grapheme on a whiteboard.

Harder:

Time how long it takes to complete the clock- can they beat it their previous time?
