## What's in my tray?

### Phonics

## Phonics- Phase 2-

### 'ff'- ff, ff, huff, puff

#### What you will need:

- Gratnells F1 Shallow Tray
- Downloadable tray label
- Masking tape
- 1 x piece of coloured card/paper
- 1 x die or rolling object (we used a foam square)

#### What to do: (Teacher/Teaching Assistant)

1. Label the tray using the downloadable label.
2. Make a grid using the masking tape.
3. Cut up the card into small squares and write down words with the 'ff' grapheme.
4. Place the cards into each space on the grid.

#### What to do: (child)

1. Ask the child to roll the die/foam square into the tray.
2. When the object has landed in a space, they have to carefully segment and blend the sounds in the word to read it correctly.
3. Encourage them to say 'ff, ff, huff, puff' as they are reading to check the pronunciation of the sound.
4. When the word has been read, roll again and keep reading!

#### Differentiation:

##### Easier:

Use robot arms to sound out each individual sound in a word. Focus on a couple of words.

##### Harder:

How many words can you read in 2 minutes?
