Capacity volume/load	5.8L/5kg

Clip-on Lid for Compact Range Trays

Product code	LN
Dimensions	H32 x W282 x D376mm
Product weight	0.25kg
Colour	Translucent

SmartCase®

Product code	SC1SET
Dimensions	H420 x W325 x D85mm
Product weight	1.1kg
Capacity volume/load	6.5L/5kg

The SmartCase® is everything you'd expect from a Gratnells tray and more. This case closes to keep contents secure and thanks to its moulded handle can be carried wherever it needs to go, just like a briefcase. Available with customisable foam inserts, liners or plastic dividers. Ideal for storing items from drones to robotic and sciences kits. It fits in the same runners as our trays, enabling them to be stored neatly away.

HOW TO ORDER

To order use the code corresponding to the item you require. Then add the two digit colour code for the Tray Colour.

Example

Select product code + Tray colour code
N0301 = Compact Jumbo Tray (F03)
 + colour code Flame Red (09)

Stationery Tray

Product code	S01
Dimensions	H77 x W260 x D427mm

Replace **XX** with colour code of your choice if available in the colour description

Moulded plastic tray inserts in various configurations can be placed directly into Shallow trays or nested in the top of a Deep tray, instantly dividing it into sections to keep smaller objects separate from each other. These are ideal for storing stationery or counters used in early years, keeping them separate and sorted ready for an activity. The inserts are available in combinations, with compartments sized to fit markers, crayons, pens and beyond.

Moulded Inserts

Foam inserts are a useful organisational accessory particularly for storing delicate equipment such as glassware.

They are cut to fit a shallow F1 tray or deep F2 tray and can be used to store a range of objects securely such as calculators, stopwatches, safety goggles, reagent bottles, test tubes and boiling tubes. There is also the option for a customisable foam inset for those irregular-shaped, delicate objects.
